Note of thanks received via email

Our youngest daughter (Abby) just found out that she received a scholarship from the Jefferson Ruritan Club. She is very excited – she is back at CTC (Career Tech Center) working on her presentation for National CIRT (Construction Industry Roundtable) and sent her mother a text saying she just found out the good news. She plans to attend Drexel and study architecture.

I'm sure she will be in touch with your Club, but we (Jane and I) wanted to say thanks to all of your Club members!

Brian Duncan

Four graduates will be receiving scholarships from our Foundation this year. Thanks goes out to **Juan** and his scholarship committee members for a job well done.

ANNOUNCEMENT

One afternoon a wife decided to send her husband a romantic text message:

If you are sleeping, send me your dreams. If you are laughing, send me your smile. If you are eating, send me a bite. If you are drinking, send me a sip. If you are crying, send me your tears. I love you.

The husband texted back to her:

I'm on the toilet. Please advise.

After much deliberation, I (Larry Cassell) have decided to put my name up for a Ruritan National Director position for 2015. In 2008 I stepped up to serve our Potomac District as secretary. In 2013 I was elected Lt. Governor and am currently serving as Governor this year. It has been a rewarding experience traveling throughout our District meeting fellow Ruritans and appreciating what Ruritan does in their communities.

However, the part that has played the most in making this decision has been from each of you as members of the Jefferson Ruritan Club. This community has benefitted so much from the Ruritan Club's presence. I am so proud speaking about Jefferson wherever I go.... probably to a fault. However, we set a good example for others. So why not speak out and share.

I appreciate the support and encouragement that has come my way from club members, and especially from my wife, Nelda. Without such, I would not ever consider undertaking such an endeavor. For the past few years, several of us have attended the Ruritan National conventions, having a good time as we learn more about Ruritan.

I'd love to see more of us attend the upcoming 2015 Ruritan National Convention to be held in Greensboro, NC. This will be the closest location of this convention to us for several years.

The Board endorsed my candidacy at the Board meeting, which I greatly appreciate. Thanks again for all the support.
