BOARD UPDATES

1. Replacement of serving dishes/plates has been placed on hold. Board decided that expenditure of \$3300 to replace current dishware with new not good use of money since we use current dishes on very limited basis. If and when it becomes absolutely necessary, Board will address issue again.
2. Numerous improvements to Center/grounds have been completed with few more pending. The exterior of the Center has been freshened up with coat of paint; roof on garages painted; new ramps installed in Center by bathrooms; cabinet doors placed on cabinets in prep room. New flooring on stage is scheduled to be completed in near future.
