

July 2, 2014

On behalf of the Maryland State Highway Administration (SHA) and the Jefferson Pike Community (Streetscape) Task Force, I am writing to invite you to a task force meeting on July 15, 2014, at 6:30 p.m. at the Jefferson Ruritan Community Center at 4603B Lander Road in Jefferson.

At this meeting, the SHA team will share the current design and discuss the progress of the MD 180 (Jefferson Pike) Community Safety and Enhancement Project (also known as the Jefferson Streetscape project). Design resumed last winter for this project, which will enhance Jefferson Pike between US 340 and Old Holter Road and will include sidewalk, roadway and drainage improvements. Please join us to discuss the project and provide feedback.

For more information about the project, you may also contact Ms. Huqin (Aimee) Zhang, SHA Project Manager, 410-545-8006, toll free 1-888-228-5003, or h Zhang@sha.state.md.us.

Thank you,

Jim Carpenter
